25X1A

2. (U) Background Information: Design for this project is presently being completed in-house by members of the [REDACTED] Engineering Division, [REDACTED]. The scope of the design provides for the erection of a second 8 foot high chain link fence installed at a distance of twenty-five (25) feet from the existing inner compound fence, and will provide for a 200 linear foot access road corridor bounded on both sides with fencing. An electrically operated entrance gate is included. Contract documents are being prepared in accordance with [REDACTED] Procurement Regulations [REDACTED] for formally advertised competitive lump-sum bidding. The current working estimate for this project is \$35,000.00. It is certified that approved project funds are available in the amount of \$35,000.00 for the required work under Fan Account No. 8173-0001. Execution of a formally advertised competitive lump-sum contract will be accomplished prior to 30 September 1978.
